SCOPE OF WORK

PLAN TO BE COVERED:

A Flexible Spending Account Plan has been offered for the past fifteen years. The current administrator is Cafeteria Plan Advisors of Braintree, MA. The Flexible Spending Plan should accommodate all legally permissible categories of expenditure including, but not limited to, the following:

Qualified Health Care Reimbursement Account

- Medical Insurance Deductibles
- Co-payments
- Vision Care (eyeglasses, contact lenses, examinations)
- All medical procedures not covered by insurance
- All dental procedures not covered by insurance

Dependent Care Assistance Plan

- All expenses qualified under Sections 125 and 129 of the Internal Revenue Code, and any other Sections of the IRS code or other statute pertaining to payment of dependent care expenses on a pre-tax basis.

The City also has a premium only 125 plan, which is not included in this proposal.

COVERED EMPLOYEES:

- The City of Newton has twenty four hundred (2,400) benefits eligible employees.
- Most employees are included in one of seventeen collective bargaining units.
- All unions have bargained for this benefit.

CURRENT ENROLLMENT and COSTS:

The City currently has about 450 employees who participate in Flexible Spending. The City currently contracts with Cafeteria Plan Advisors and pays \$4.00 per person per month and an additional \$0.50 per month for bene cards, and has no expenses for its annual renewal and no costs associated with discrimination testing. The City is exempt from ERISA and does not require the preparation of Form 5500.

SERVICES OUTLINE:

The successful bidder will:

1. Provide all necessary plan documents
2. Provide all descriptive literature
3. Receive and process all claims
4. Determine and administer employee reimbursements
5. Provide points of contact for employees to call regarding questions, information, etc.
6. Provide the City of Newton with reports necessary for the administration of the Flexible Spending Account Plan, including: 1) periodic reports by employee showing amounts credited to the employees account, the amount paid from the account, and the account balance; 2) an end-of-plan-year report showing, by employee, amounts left unexpended; and 3) other reports commonly provided
7. Provide individual subscribers with reports, at least twice per year, showing amounts credited to individual accounts, claims received, payments made, and account balance
8. Provide other reports, services, etc. typically required in the administration of Flexible Spending Account balance
9. Provide discrimination testing once a year

BACKGROUND INFORMATION:

In regard to #2 above the City prepares its own materials for distribution. The City needs 5 copies of the vendor's literature in order to prepare its materials. The City will work with the vendor to develop enrollment forms, direct deposit forms, etc. that are mutually acceptable. The literature can be 5 hard copies, or electronic copies, which the City can use to create hard copies. The City is not seeking customized literature.

In regard to #7 above, real time information provided on the vendor's website will fulfill this requirement.

Currently the City emails or faxes enrollment forms to the vendor after open enrollment. For open enrollment, the City emails a spreadsheet with participants' information. If the awarded vendor prefers a Word or Excel file, that can be arranged. The City will only accept one of these arrangements to set up the vendor's database.

The City has had different funding arrangements with different vendors over the years. With the current vendor, for each weekly and semi-monthly payroll, the City E-Mails the deduction register and sends the funds via ACH. In the past, the vendor notified the City of the approved claims each week, with a listing of employees and amounts to be paid, and the City sent an ACH transfer to the vendor.

INFORMATION TO BE SUBMITTED WITH PROPOSALS:

1. A list of at least six (6) client references with whom the proposer has had contracts over the last three current (3) years. Information should include a contact person and telephone number, and the date the contract began and ended. Identify all clients with twelve hundred (1200) or more employees.
2. A description of all services that would be provided by your company under this proposal. Do you have insurance and/or bonding of your staff to guarantee the safety of our funds? If so, to what extent are you insured and/or bonded?
3. Copies of sample reports regularly made to employers and employees and copies of reimbursement forms to be used by employees. What is the frequency of these reports? Also list the cost schedule for customized reports.
4. Please list the number of Flex Plans that your company services, and the average number of employees per plan. How many years has your company been providing this service?
5. A description of the communications system that you use to allow our employees to receive information on their Flex Plan(s). Include type of phone, Internet, or other network systems utilized, the hours live operators are available, and the hours that an automated or voice mail information system is available. What, if any, Internet access is available to either employees or employer? Can employees track their balances on-line?
6. Assurance that you have the personnel available to handle enrollment. Please provide a sample of your implementation schedule, enrollment procedures, and employee communication materials.
7. Do you do annual discrimination testing? How is it done?
8. Resumes of key personnel, who will direct, oversee and provide service for the City of Newton account.
9. Please indicate any reservations or qualifications you may have concerning the fulfillment of this proposal.
10. Cover/Transmittal sheet acknowledging any/all addendum.
11. Quotes on a debit card for enrollees.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:
